7th March 2025

Dear Parents and Carers,

Mothering Sunday Family Craft Afternoon

As Mothering Sunday is celebrated by The Church of England, we would like you to join us for a Mothering Sunday afternoon celebration on **Friday 28th March from 1.30pm**.

This year, we would like mums to spend an afternoon in school with your children making Mothering Sunday Crafts. You can join us at school from **1.30pm** where your children will meet you at the sports hall entrance, up the ramp. The playground will be open for parking.

You will spend time making crafts in each classroom with your child(ren). Once you have completed one craft, you will move onto the next classroom. If mum is unable to attend, another member of the family or close family friend can attend in place of mum. We ask that secondary school children do not attend with mum as we cannot accommodate this.

If no family member can join us, these children will still be able to make crafts with members of staff in school. Although it is a lovely gesture to invite children of other families to join theirs on the day, we ask that for this event children stay with school staff due to the nature of the craft activities.

We think this is a lovely way to spend time with your children. There will be tea and coffee served in the dining hall. Children will be allowed to leave once they have finished their craft activities.

With every good wish

Mrs E Harros
Executive Headteacher
