*"The child Jesus grew and became strong; he was full of wisdom gaining favour
with God and with people." Luke 2:54*

13th October 2025

Dear Parents and Carers

I am writing to share some exciting news about a new parent support initiative at Middleton on the Wolds.

We are delighted to introduce our School and Community Practitioner team, who will be hosting a series of drop-in sessions to support our families. These informal gatherings are designed to provide you with accessible help and guidance on a range of important matters.

The drop-in sessions will take place in the school hall, starting at 9:30am, on the following dates:

- 3rd November
- 17th November
- 1st December
- 15th December

There's absolutely no need to book - simply come along! The team will be offering support with a whole range of topics including managing behaviour and emotions, establishing helpful routines, and can signpost you to additional services that might benefit your family. To make you feel welcome, we'll have tea, coffee, and biscuits available.

I'm particularly excited to highlight that on 17th November, our school nursing team will also be present. They can provide immediate advice on a wide range of health-related matters, including toileting challenges, dietary concerns, and general health anxieties. This is a wonderful opportunity to speak directly with healthcare professionals without any bureaucratic barriers.

We look forward to welcoming you and supporting your family's wellbeing.

With every good wish.

E Harros
