Parent Pay

To avoid any awkward discussions or any letters sent home regarding outstanding payments on Parent Pay for lunches, breakfast club, after school club, nursery or visits, please can we ask for regular payments to be made to keep accounts in credit. We have been made aware some local schools will not allow any Parent Pay accounts to go into a debit situation for lunches or clubs and will not provide school lunches if more than £20 is outstanding on a child's account. As a small school we must ensure all our invoices are paid on time to provide lunches and activities for the children. If at any time you wish to discuss your account, please do not hesitate to contact the school office via email, telephone or call in to the office.
