24TH June 2026

Dear Parents/Carers,

In line with the local authority's recommendations, from September 2026 the cost of a school meal will increase by 5p to £2.80 for nursery and KS2 children. The price rise is recommended due to the cost of food inflation which is currently projected at 3.1% up to the end of 2026 and sustained increases in utility and operational costs.

Our school meals still represent fantastic value because our ingredients are high quality and meet all nutritional standards.

We hope that you will continue to support our school meal and extended school services as much as possible so that we can continue to offer an excellent service.

Yours faithfully

E Harros
